Good Morning DOCHROC Managers and DOCHROC Serviced Managers,

Please join us for one of two HR Connect Manager, Proxy, and HR Liaison webinars scheduled for DOCHROC users. The HR Connect demo and tips on PAR processing covered in this session address a lot of the questions we've been hearing from you. I highly encourage you to attend one of the two virtual webinars and also forward this email to your Proxies and HR Liaisons to encourage they attend. The date for the upcoming two sessions are below:

\* Thursday, February 2nd, 10AM - 12PM EST

\* Thursday, February 2nd, 1PM - 3PM EST

Please accept this calendar invite if you are planning to attend and email [enterpriseservices@doc.gov](mailto:enterpriseservices@doc.gov) <<mailto:enterpriseservices@doc.gov>> if you encounter any technical issues with the invite.

Apologies to those of you who received the invitations for the sessions on January 26th late. Please note that if you are unable to attend on February 2nd, there will be another date announced soon.

Thank you in advance for your active participation and continuing partnership in navigating the transition.

The date for the upcoming two sessions are below:

Please accept this calendar invite if you are planning to attend and email <mailto:enterpriseservices@doc.gov> <<mailto:enterpriseservices@doc.gov>> if you encounter any technical issues with the invite.

Apologies to those of you who received the invitations for the sessions on January 26th late. Please note that if you are unable to attend on February 2nd, there will be another date announced soon.

We are working on implementation guidance for the Presidential Memorandum – Hiring Freeze within the HR community. As part of the Hiring Freeze the memorandum notes – “Contracting outside the Government to circumvent the intent of this memorandum shall not be permitted.” The Department has staff augmentation contracts (ESO has the recent strategic sourced contracts) and there are other contracting vehicles that could be used which may result in violations of the memorandum.

Good evening, Panel Members.

Per our earlier email discussions, please join me on Friday, at 10am, for a teleconference to discuss details about our panel topic; logistics; and what we hope to achieve.

Below and attached are some read ahead materials that you may find useful for our discussion.

Attachments:

1) Matrix—This is a matrix that I helped develop for EEO practitioners

to outline our roles and responsibilities and what is required to best meet our stakeholders' needs and interests. This can be a helpful tool for delineating roles and responsibilities and identifying opportunities to collaborate.

2) SEPM memo—This memo was jointly issued by OPM and EEOC. It provides information on the role of SEPMS in helping agencies attract, hire, develop and retain a diverse workforce while promoting an inclusive work environment that helps deliver high-quality results for the American people.

Links: the first two articles discuss HR/EEO collaboration challenges and opportunities and the last two discuss strategies for breaking down workplace silos

#### GSA Real Property Reform Law Training Session

The U.S. General Services Administration, in collaboration with the Office of Management and Budget, has issued a data call in response to the Federal Assets Sale and Transfer Act of 2016 and the Federal Real Property Management Reform Act of 2016. You have been invited to this teleconference because your agency received a request

from GSA to submit real property data. During the session, we will discuss the reporting requirements, the agencies and assets that are exempt from reporting, and respond to any questions you may have regarding deadlines, including the February 28 deadline. As a reference, the message regarding the data call was issued via email by Alexander Kurien, of GSA, on Wednesday, February 22.

We will be hosting a second meeting on the same topic the morning of Thursday, March 2. You need attend only one session.

This session is specifically geared toward agencies that have previously submitted FRPP data.

GSA Real Property Reform Law Training Session

The U.S. General Services Administration, in collaboration with the Office of Management and Budget, has issued a data call in response to the Federal Assets Sale and Transfer Act of 2016 and the Federal Real Property Management Reform Act of 2016. You have been invited to this teleconference because your agency received a request from GSA to submit real property data. During the session, we will discuss the reporting requirements, the agencies and assets that are exempt from reporting, and respond to any questions you may have regarding deadlines, including the February 28 deadline. As a reference, the message regarding the data call was issued via email by Alexander Kurien, of GSA, on Wednesday, February 22.

We will be hosting a second meeting on the same topic the afternoon of Wednesday, March 1. You need attend only one session.

This meeting is geared toward agencies that are already reporting FRPP data.

For this quarterly review, the Office of Security (OSY) and the Office of Facilities and Environmental Quality (OFEQ) are presenting in this session. In turn, all offices will be invited to your quarterly review.

For the metrics reviews, please upload all of your metrics into the CFO/ASA Dashboard (b)(4). Each office will need to provide a laptop to connect to the dashboard. For Ellen's briefing book, please provide the briefing memo (below) 2 days before the meeting by noon. The briefing memo should cover the top 3 successes in the last quarter; 3 lows of the last quarter; and 3 potential risks in the upcoming quarter. (This is not a hard and fast number. If there are only 2, make it 2 points.) The briefing memo template is attached. Please email briefing memo to: Jeanette Harrison (jharrison@doc.gov <mailto:jharrison@doc.gov>) and Megan Trossbach (mtrossbach@doc.gov <mailto:mtrossbach@doc.gov>).

		<p>Good afternoon,</p> <p>We have an exciting agenda planned for our next ASAM Roundtable on Thursday, March 9th starting at 8:00 a.m. During this meeting, Iveta Brigis, a Senior Manager in People Operations at Google, will share workplace best practices on making managers great and</p>

employment branding. I have provided her biography below for your reference. We hope to cover the following topics with her:

- \* What best practices does Google use to make managers great? What types of development opportunities do you provide? How do you celebrate great managers?
- \* How do you use data analytics to structure hiring and management practices?
- \* What is Google's level of investment in managers? Time and money?
- \* Are there any relevant case studies federal leaders can learn from (i.e., NYC Department of Education  
<<https://rework.withgoogle.com/case-studies/case-study-nyc-doe-survey/>> )?

We will also review transition updates with David Eagles focusing on your agency's appointments progress and beachhead teams. I would encourage you to bring a senior executive from your HR team with you to the meeting to learn from and contribute to the conversation. Please send me the names of any guests who you would like to accompany you to the meeting by COB Wednesday, March 8th. I have attached the agenda for the session to this message. If you have any questions or need additional information, do not hesitate to reach out.

Thank you,

Ashton

For this quarterly review, the Office of Civil Rights (OCR) and the Office of Privacy and Open Government (OPOG) are presenting in this session. In turn, all offices will be invited to your quarterly review.

For the metrics reviews, please upload all of your metrics into the CFO/ASA Dashboard (b)(4). Each office will need to provide a laptop to connect to the dashboard. For Ellen's briefing book, please provide the briefing memo (below) 2 days before the meeting by noon. The briefing memo should cover the top 3 successes in the last quarter; 3 lows of the last quarter; and 3 potential risks in the upcoming quarter. (This is not a hard and fast number. If there are only 2, make it 2 points.) The briefing memo template is attached. Please email briefing memo to: Megan Trossbach (mtrossbach@doc.gov <mailto:mtrossbach@doc.gov>) and copy Jeanette Harrison (jharrison@doc.gov <mailto:jharrison@doc.gov>).

 Lisa/Rich,

I've scheduled this 30-minute timeslot on your calendars to overlap with an existing meeting that Tom/John have on the calendars with our Assistant Directors.

For us, the session is billed as a lead-in discussion that we're to have prior to larger meeting with all our supervisors later in the day.

I realize this seems like a little cloak and dagger but didn't want to get the rumor mill started too soon by having you both on the larger invite.

Note that the room is located in the new space.

Don't hesitate to call if you have any questions. Thx.

\

Good morning,

I hope that you are having a great start to your week! I am looking forward to seeing many of you at our next ASAM Roundtable on Thursday, April 13th at 8:00 a.m.

We have a full agenda beginning with Mark Reinhold from OPM, who will be leading a discussion around hiring updates and attrition planning. We will also be joined by Trey Bradley, Benchmarking Program Director at GSA, who will engage you in a conversation around FedStat's HR and Shared Services benchmarking data. David Eagles will close the meeting by facilitating a discussion on working with OMB in the first 200 days of a new administration.

We encourage you to bring a senior executive from your agency with you to the meeting to learn from and contribute to the conversation. Please send me the names of any guests who you would like to accompany you to the meeting by noon on Wednesday, April 12th. I have attached the agenda for the session to this message. If you have any questions or need additional information, do not hesitate to reach out.

Thank you,

Yes, Tina we will be happy to discuss. I've added Lisa as she will likely come as well and she is an expert on Working Capital Funds.

Ellen, I'm going to take you up on your offer to give the ASAMs an overview of Working Capital Funds on May 11. Just confirming to put you on agenda? Who is the expert staffer you are bringing with you? If Lee comes he can also chime in.

There's new ASAM at ED – Holly Ham who will join us May 11.

Many thanks,

Tina

Good morning,  
I hope that you are having a great week! I look forward to seeing many of you at our next ASAM Roundtable on Thursday, May 11 at

8:00 a.m.

We have a full agenda planned for the meeting, beginning with a discussion of the different flavors of working capital funds led by former Government Accountability Office CFO and CAO, Sallyanne Harper, and Department of Commerce's Acting Deputy Secretary, Ellen Herbst. Following this conversation, the Partnership's Vice President for Government Affairs, Kristine Simmons, will provide a Capitol Hill update. We will close the roundtable by sharing key learnings and useful strategies from the Partnership's May 5th Summit on implementing Executive Order 13781.

I encourage you to bring a senior executive from your agency with you to the meeting to learn from and contribute to the conversation.

Please send me the names of any guests who you would like to accompany you to the meeting by noon Wednesday, May 10.

I have attached the agenda for the session to this message, as well as a new Partnership resource that I thought you might find useful a checklist to help Cabinet secretaries and agency leaders prepare for the upcoming release of the Federal Employee Viewpoint Survey (FEVS).

If you have any questions or need additional information, do not hesitate to reach out.

Thank you,

Ashton Kunkle-Mates

**Subject** [CAO-COUNCIL] CAO/SPE Call on Draft Alert to Streamline the Business Case Process  
**Location** Call-in: (b)(4) passcode (b)(4)  
**Show Time As** Tentative

Colleagues -

OFPP seeks to streamline and improve the efficiency of the business case process that was established in 2011 for certain interagency and agency-specific acquisitions. We have developed a discussion draft Alert to achieve this goal. (The draft was sent separately to you in a message to CAOs and SPEs).

We welcome your comments and will host a call to brief you on and discuss the draft on Friday, May 19th at 1pm.

Key objectives of the streamlined process include the following:

- Facilitate earlier information sharing (before the agency has invested significant time and effort);
- Provide a template that allows for more streamlined information submission focused on the specific reasons why existing vehicles are not suitable; and
- Recognize analyses that may already have been developed in coordination with category managers to avoid duplicative agency submissions of information that could occur under the current process.

If you have comments on the draft, please send them to Meredith Romley (b)(6)@omb.eop.gov by Friday May 26, 2017.

Good morning, Maria.

It took a while for folks to respond. Can you please verify that June 1st is still available? If so, we would like to reserve the Conference Center for that day.

Thanks so much, Maria!!!! I agree that we should utilize the whole auditorium. I'll send these dates out to the bureaus to get their input.

Hi Tinisha

I spoke with our conference services and she suggested several dates that you could utilize the whole auditorium. One side would be used for the conference and the other side for break outs. The rooms would be divided. They could set round tables in the other side and whatever else you need such as white boards, paper easels, etc. I thought this was the better option considering if they went to separate rooms they would have to go through security and into other buildings. Let me know your thoughts. Also I am assuming like this year it is an all day function.

The dates are April 24, May 2, May 22, June 1, June 5.

Let me know what you think and I happy to make the arrangements

Maria

Hi Bismarck,  
I know that it can be difficult to secure space at USPTO, so can I leverage your pull to rsvp that room we used last year and a few break-out rooms for our 2017 DOC EEO Summit? Last year, we lucked out and got the space because one of our Directors reserved the room, but no longer needed it. I'm looking at the April-May-June timeframe.

Thanks,

Hi Dina,

I hope this email finds you well!

I'm emailing to inquire if Secretary Ross would be available for a call with Secretary Tillerson in the afternoon of Friday (6/2). If so, would 3:00pm (EDT) work for a secure call? The topic of this call will be trade process.

Thanks,

Emily

 Subject: Bimonthly meetings

Good Afternoon,

In recent weeks I have realized that there is a need to schedule

periodic catch up meetings with each of you to discuss any pertinent items in the administrative areas (i.e. customer service, hot topics). I will always be available at any time but I think it is good that we can connect and make the time for us to carve out specific time to sit down on your bureau specific areas. My thought is every other month but if you prefer a different cadence please let me know.

I will have Jeanette reach out to your offices next week to schedule.

Good morning,

I look forward to seeing many of you at our next ASAM Roundtable on Thursday, June 8 at 8:00 a.m. In light of the May 11th release of the Cybersecurity EO <<https://www.whitehouse.gov/the-press-office/2017/05/11/presidential-executive-order-strengthening-cybersecurity-federal>> , we have invited Sammies winner and current NIST Fellow, Dr. Ron Ross <<http://csrc.nist.gov/staff/Ross/biography-ross-nov2016.pdf>> , to join us and provide advice and best practices for meeting the EO's stated agency requirements and timelines. He will also talk specifically about your role as agency leaders in implementing the EO.

Following this discussion and back by popular demand, a member of our Government Affairs team will provide a brief congressional update. To close, Beth Angerman from GSA and Krista Paquin from NASA will share an update on their cross-cutting shared services proposal.

I encourage you to bring your CIO, CTO and/or CISO with you to the meeting to learn from and contribute to the conversation. Please send me the names of any guests that are planning to join you by noon on Wednesday, June 7.

I have attached the agenda for the session to this message. If you have any questions or need additional information, do not hesitate to reach out.

Kindest regards,  
Colleen

The All Hands Meeting has moved to June 9th, from 1:00pm – 2:00pm.

Thank you.

OSY all-hands meeting with Acting Director for Security Richard Townsend.

While the meeting is not mandatory, participation is strongly encouraged. Supervisors/CORs should work with personnel to provide appropriate flexibilities to ensure maximum participation while also ensuring essential services.

A final agenda will be provided as we get closer to the meeting date and a high-level recap will be provided afterwards for those that are unable to attend.

HCHB participants can attend in person – as the meeting will be held in the swing space but please know that space will be limited.

Other participants can call into the meeting but we would encourage you to group together as much as practical to minimize the number of lines used.

 Subject: Bimonthly meetings

Good Afternoon,

In recent weeks I have realized that there is a need to schedule periodic catch up meetings with each of you to discuss any pertinent items in the administrative areas (i.e. customer service, hot topics). I will always be available at any time but I think it is good that we can connect and make the time for us to carve out specific time to sit down on your bureau specific areas. My thought is every other month but if you prefer a different cadence please let me know.

I will have Jeanette reach out to your offices next week to schedule.

Hi All,

Several of the Departments requested OMB host a follow-up meeting bringing together your leads working on the workforce-related portions of M-17-22. I will distribute a full agenda next week, but wanted to get a time out to you now.

The room space is limited. However, we would like two to three representatives from your agency to attend this meeting - including a

key representative from your Department's CHCO and General Counsel's offices. Could you please forward to the appropriate key representatives in your agency, including the Reform Senior Accountable Official.

As requested by many, we will have speakers from:

- \* EEOC to discuss EEO complaints as they relate to addressing performance
- \* OSC to discuss whistle-blower/retaliation concerns
- \* OPM to discuss how to not just rely on "Question 23"
- \* OMB to discuss best practices learned from the meetings, including an opportunity for agencies to share (I may ask several of you to prepare quick presentations for this portion of the meeting.)

Please have any attendees fill out the link to gain entrance to the EEOB: <https://events.whitehouse.gov/form?rid=C9FFVKGJ77>  
<<https://events.whitehouse.gov/form?rid=C9FFVKGJ77>>

Also, in several of the agency meetings, CHCOs and others mentioned actions they are planning across agencies. As a reminder, OMB is collecting cross-agency reform ideas until June 2nd. If you have any submissions for this effort, using the attached template, please submit ideas to (b)(6)@omb.eop.gov <mailto:(b)(6)@omb.eop.gov>. If you have any questions, please contact Mary Ellen Wiggins in OMB/PPM's Performance Team - (b)(6)@omb.eop.gov <mailto:(b)(6)@omb.eop.gov>

Thanks again for pulling together the meetings.

Subject: June 16 Agency Transition Roundtable

Good afternoon Agency Transition Leaders,

I hope that this note finds you well. As you know, we are currently developing the Agency Transition Guide, a resource that will be written for senior career agency executives who lead future transitions. We are grateful for the assistance that we have received so far from many of you, and we look forward to having more conversations to incorporate your ideas into the guide. This product will join the Presidential Transition Guide as an asset that we make available to future presidential transition teams, agency transition teams, and members of the outgoing administration.

We would like to convene a meeting of the Agency Transition Roundtable on Friday, June 16th, at 9:00 a.m. to update you on the development of the guide and to solicit your thoughts on the key themes that define a successful agency transition. More specifically, we would like to cover three main topics related to the Agency Transition Guide:

- Core Themes- we will outline the guide's framework and seek your input on the main ideas
- Best Practices- we want to hear from you on best practices to include in the guide and fill gaps in our knowledge

· Future Application- we will discuss how the ideas contained in the guide can apply to managing transitions outside of presidential elections.

Meeting details are below:

\* Agency Transition Roundtable #11- Developing the Agency Transition Guide

\* Friday, June 16th, 9:00 – 10:30 a.m.

\* Partnership office- 1100 New York Ave NW, Suite 200 East

\* RSVP: (b)(6)

Thank you all so much, and we look forward to seeing you on June 16th.

Best,

Dan

Subject: Bimonthly meetings

Good Afternoon,

In recent weeks I have realized that there is a need to schedule periodic catch up meetings with each of you to discuss any pertinent items in the administrative areas (i.e. customer service, hot topics). I will always be available at any time but I think it is good that we can connect and make the time for us to carve out specific time to sit down on your bureau specific areas. My thought is every other month but if you prefer a different cadence please let me know.

I will have Jeanette reach out to your offices next week to schedule.

Good Afternoon,

In recent weeks I have realized that there is a need to schedule periodic catch up meetings with each of you to discuss any pertinent items in the administrative areas (i.e. customer service, hot topics). I will always be available at any time but I think it is good that we can connect and make the time for us to carve out specific time to sit down on your bureau specific areas. My thought is every other month but if you prefer a different cadence please let me know.

I will have Jeanette reach out to your offices next week to schedule.

Lisa

		10:30 is for the intel brief for the Secretary, during which we'll do the (b)(7)e

The other meeting I proposed would be an introductory follow up to our e-mail exchange from three weeks ago to discuss scheduling, etc. That doesn't need to be in a SCIF.

Subject: Assessment Process

Izzy,

When we met last week you had inquired about the assessment level surrounding security posture. I would like to set a meeting with you and security to discuss the process and how we work with Ollice. I believe this will be beneficial and provide insight that may alleviate any concerns. We will also have Ollice in the meeting.

Please let me know if you concur and we can work with Cameron to schedule.

The Department of Commerce's Office of Cyber Security (OCS), within the Office of the Chief Information Officer (OCIO), is offering another of our yearly Risk Management Framework Overview sessions for the SO/ISSO audience. This training is required by DOC Policy CITR-006 ([https://connection.commerce.gov/sites/connection.commerce.gov/files/media/files/2014/citr-006\\_info\\_sys\\_security\\_training\\_for\\_significant\\_roles.pdf](https://connection.commerce.gov/sites/connection.commerce.gov/files/media/files/2014/citr-006_info_sys_security_training_for_significant_roles.pdf) <[https://connection.commerce.gov/sites/connection.commerce.gov/files/media/files/2014/citr-006\\_info\\_sys\\_security\\_training\\_for\\_significant\\_roles.pdf](https://connection.commerce.gov/sites/connection.commerce.gov/files/media/files/2014/citr-006_info_sys_security_training_for_significant_roles.pdf)> ) for all SO/ISSOs in the performance of their duties. If you have attended previous Risk Management Framework sessions this fiscal year, you do not need to attend this one.

- \* What to bring: Pen/Pencil/Laptop to take notes.
- \* Benefit: The Risk Management Framework sessions are a series of Instructor Led Training (ILT) sessions that will allow you to successfully implement the Risk Management Framework.
- \* Receiving Credit: Attendees MUST sign the attendance sheet to receive credit. Class will begin on time, so arrive at least 5 minutes early to sign-in!
- \* All records will be submitted to OCIO to confirm completion of the CITR-006 requirement.
- \* Training Evaluation: After attending, please let us know how we're doing! Visit: <https://connection.commerce.gov/forms-and-surveys/training-evaluation>

For this quarterly review, the Office of Financial Management (OFM) is presenting in this session. In turn, all offices will be invited to your quarterly review.

For the metrics reviews, please upload all of your metrics into the CFO/ASA Dashboard (b)(4)

For Ellen's briefing book, please provide the briefing memo (below) 2 days before the meeting by noon. The briefing memo should cover the top 3 successes in the last quarter; 3 lows of the last quarter; and 3 potential risks in the upcoming quarter. (This is not a hard and fast number. If there are only 2, make it 2 points.) The briefing memo template is attached. Please email briefing memo to: Megan Trossbach (mtrossbach@doc.gov <mailto:mtrossbach@doc.gov> ).

Subject: Grants Management as a Service  
Importance: High

Lisa.

As noted this morning, as part of my ongoing market research, I asked IBM (among other companies) to think about how private industry could help Commerce address some of its challenges and opportunities, particularly in a shared services model. Among the areas it chose to focus its efforts on were the “procure-to-pay” (including contract writing) and grants management processes. More specifically, it wished to show how we could achieve our modernization, compliance, and operational cost savings goals in an “as a service” model.

Using publicly-available data (e.g., FedScope, FPDS, FedBizOps, Bloomberg, etc.), IBM “discovered” what our environment and current costs were. It, then, constructed business cases to show what the investments would be required and when and what the returns would be. Those documents are attached for your consideration.

As you know, Barry, Tammy and Shane sat in on a meeting I had with IBM to discuss Procure-to-Pay as a Service. The presentation on Grants Management as a Service was delivered to me just today. The IBM folks would be pleased to discuss both of these concepts and high-level business cases with you. Please let me know if you're willing and able and I'll work with Diane to schedule the meeting. Please also let me know who else you would want in the room for the presentation (e.g., Theresa, Jillian, Rod, Steve, etc.).

Glenn.

CFO-ASA Quarterly Metrics Review (OFEQ) Briefing Memo.docx  
**Show Time As** Busy  
For this quarterly review, the Office of Security (OSY) and Office of Facilities and Environmental Quality (OFEQ) are presenting in this session. In turn, all offices will be invited to your quarterly review.

For the metrics reviews, please upload all of your metrics into the CFO/ASA Dashboard (b)(4).

Each office will need to provide a laptop to connect to the dashboard.

For Ellen's briefing book, please provide the briefing memo (below) 2 days before the meeting by noon. The briefing memo should cover the top 3 successes in the last quarter; 3 lows of the last quarter; and 3 potential risks in the upcoming quarter. (This is not a hard and fast number. If there are only 2, make it 2 points.) The briefing memo template is attached. Please email briefing memo to: Megan Trossbach (mtrossbach@doc.gov <mailto:mtrossbach@doc.gov> ).

Subject: Lisa/Ellen's schedules

Hi Megan -

1. We'd like to get on Ellen/Lisa's calendars for 8/30 or 31 (if they can't do these dates, then 8/24 or 25, but it will be less info). Topic is update, room is 1518, time is 45 minutes. This replaces the meeting that Tigmo tacked on to the 9/6 RAC session.

2. On 8/24 from 1100-1200 is a meeting with Peter Davidson, Michelle M., and Catherine Keller (all OGC). If Ellen or Lisa can attend that would be great.

Thanks!

George,

Sorry we didn't get to talk more after the CFO Council meeting. I did have a quick question. Was the ERM work crosswalked to the new sprint plan that was prepared?

Thanks

For the metrics reviews, please upload all of your metrics into the CFO/ASA Dashboard (b)(4).

For Ellen's briefing book, please provide the briefing memo (below) 2 days before the meeting by noon. The briefing memo should cover the

I will always be available at any time but I think it is good that we can connect and make the time for us to carve out specific time to sit down on your bureau specific areas. Subject: Meeting w/ SES CDP participant Neal Dipasquale

Lisa, good afternoon-

Per our brief conversation on Wednesday, Neal Dipasquale, a NOAA-NWS participant in the DOC SES CDP would appreciate the opportunity to brief you on the findings and recommendations from his 6-month detail with the CFO-ASA Performance Team (which ended roughly a month ago.)

Neal's project assignment was to serve as the executive manager for the development and launch of a DOC-wide Customer Experience Strategy.

During the course of his research, Neal determined the need to convene a "Customer Experience Vision Team" with representation from all DOC bureaus. The proposal that Neal will present to you was co-developed with this Vision Team. As Neal's coach/mentor on this project – and having witnessed the energy of the CX Vision Team! – I can confidently say there is enthusiastic support from GS-15 and/or SES subject matter experts within the bureaus for the top-level recommendations that have grown out of his hard work.

Neal is available during the following windows next week to brief you. I anticipate he will need at least 45 minutes to allow for some discussion.

If none of these times work, Neal will provide Megan with some alternate times the week following.

Monday 8/21 1 - 4pm

Tuesday 8/22 1:30 - 4pm

Wednesday 8/23 12 - 4pm

Thursday 8/24 12 - 2pm

Friday 8/25 12 - 4pm

Thank you so much Lisa!

I'll be out on vacation next week and the week following, but I've cc:ed Neal on this conversation, so feel free to engage directly with him!

My best,

Lea

Subject: We are on with the Secretary for 4:30 today for the follow up meeting from yesterday  
Importance: High

Need all inputs/updates asap as the follow up meeting with the Secretary is now scheduled for 4:30 today. All of you should be prepared to attend and Mark and Mike should be prepared to present follow ups from yesterday.

Lisa, this team is going to need time prior to the meeting to reconvene and compare notes. I'm afraid I'm going to have to use the CFO/ASA office directors time to convene this group.

Therefore we need to cancel the CFO/ASA Office Directors meeting and use that time for this group.

Megan, can you cancel and then re-book this group for the 1:30 time slot in the DEPUTY SECRETARY'S OFFICE? Everyone on this note should be prepared to update the group on their follow up from yesterday and to bring hard copy of updated materials to be used with the Secretary.

Thanks to everyone for your hard work and perseverance.

The CFO Council would like to convene a sub-group of CFO Council members on Friday, September 8th from 10:30a-Noon to revisit the Government reform priorities identified by the CFO Council earlier this year. These priorities came out of the May CFO Council Meeting and were prioritized based on feedback gathered from the Council after the meeting. The priorities identified by the CFO Council are as follows (background papers on these have been emailed to participants):

- Improper Payments
- Human Capital
- Auditing and Financial Statements
- Budgeting

Ultimately, in this meeting we would like to identify how to address these priorities and assign ownership to CFO Council members who will, with CFO Council staff support, build project plans, identify key milestones and goals, and show measurable impact in priority areas.

Your attendance is optional.

Subject: Year end Matrix

It is hard to believe we are less than two months away from finishing another fiscal year. For the year end performance cycle I would like to ask for everyone's updated performance matrix by Friday August 25th. There will be time to update any information for September before they are finalized. Please send the matrix to both Diane and I.

I will have Megan schedule extended time as part of the weeklies to discuss the matrix, spend time on reviewing progress/challenges in the 2017 office operational plans and the results of office metrics. We can also begin discussions on the FY18 plans that require a quick turnaround in the new fiscal year.

 Subject: DATA Act

Good Morning,

I am writing to request an extension to providing concurrence on the Data Act NFRs that we have received. I realize that this will require extending the date of the draft report from the auditors. Due to the number of exceptions found along with the first time we are submitting information and your office reviewing, there are many complexities and questions surrounding the process.

I attended a government-wide IG/CFO Data Act audit meeting on Friday and this is a common theme amongst all the agencies. The IG representatives noted that your community is also working to understand the common issues and working on suggested language for reports (clearly noting that each IG office will not be bound by what their group develops).

Would we be able to discuss the requested extension and if in agreement identify a date that we can provide our feedback. As you are aware this is the busiest time of year for our grant and procurement communities and any relief will be appreciated.

Subject: RE: Meeting with IBM

Thanks, everyone, for making time on your schedule today to discuss

“grants management as a service.” Jillian, I particularly appreciate your willingness to provide additional detail about the Department’s current grants management situation. With this and other information in hand, the IBM team can update its presentation and refine its financial model. Via this email, I’d like to introduce Jason to Jillian as he may have additional questions he’d like to pose.

As per Lisa’s suggestion, I’d like to set up another meeting for the group within the next couple of weeks. Not only can we review the revised GMaaS presentation (based on additional information), we can also talk about “procure-to-pay” solutions (e.g., “on-prem’ systems, SaaS and procure-to-pay as a service.”). Via this email, I’d like to ask Natasha and Megan to find a suitable time for us all to meet.

Glenn.

Subject: Year end Matrix

It is hard to believe we are less than two months away from finishing another fiscal year. For the year end performance cycle I would like to ask for everyone's updated performance matrix by Friday August 25th. There will be time to update any information for September before they are finalized. Please send the matrix to both Diane and I.

I will have Megan schedule extended time as part of the weeklies to discuss the matrix, spend time on reviewing progress/challenges in the 2017 office operational plans and the results of office metrics. We can also begin discussions on the FY18 plans that require a quick turnaround in the new fiscal year.

Please see Lisa's note below. She would like a note on her calendar (on or about 9/25) to be available sign, or work with Ellen to sign, the COOP Construction InterAgency Agreement.

Due to the size this maybe ellen – I will check with her on preference.  
 Just work with Megan on putting a note on my calendar – I am in. if  
 for some reason ellen opts to and was unexpectedly out, I could sign  
 as performing the non-exclusive duties.

Subject: FW: COOP Site Construction IAA

Good morning Lisa –

As you know, OSY is working to obligate the funding for the dedicated COOP Site construction under a tight deadline as below. I wanted to just get the final signatures lined up to ensure quick completion of the agreement. Last year, for the construction design, you signed the agreement for funds approval (I believe this was FEMA's request). Just wanted to check in to see if you are still the appropriate person, and to make sure you or someone you designate will be in the office on or around September 25th. I have attached the draft signature document for your quick review. Awaiting final OGC approval for FY 2018 signatures.

Thank you, Donna

Jennifer,

We certainly understand its cutting it close, but are working diligently to ensure the funds are obligated and that a kickoff meeting occurs this month. (b)(5) DPP

We will keep you updated on our progress.

Thanks  
Nick

Thanks Nick. That sure is cutting it close. How confident are we in the cost? Also, in order to use this year's appropriation, work has to start this fiscal year. Please make sure there is a kickoff meeting or some other work scheduled for September.

Hi Lisa,

The individuals who signed up during our SEPM Fair have been attending a 2-day training that concludes today. I plan on stopping by at 3:30 to thank them for volunteering to help Commerce's achieve its EEO and D&I goals through special emphasis programs. If you have five minutes to join me, I think it would be great for them to hear how important this work is from a senior leader.

Thanks,

Tinisha

Subject: Request for Meeting

Hi Megan,

I would like to request a meeting with Lisa regarding FirstNet accruals.

(b)(5) DPP

I suggest myself, Len, Gordon Alston, and George Jenkins should be invited. We drafted a position paper laying out the alternatives; we are currently coordinating this with OFM and NIST and will provide as a read ahead prior to the meeting.

Thanks in advance,

Kim Farington

Good Afternoon,

In recent weeks I have realized that there is a need to schedule periodic catch up meetings with each of you to discuss any pertinent items in the administrative areas (i.e. customer service, hot topics). I will always be available at any time but I think it is good that we can connect and make the time for us to carve out specific time to sit down on your bureau specific areas. My thought is every other month but if you prefer a different cadence please let me know.

I will have Jeanette reach out to your offices next week to schedule.

Let's meet. I am not sure how we would have this in base.

Lisa,

As a follow up to our discussion two weeks ago on this subject, you had asked for two get backs:

1. Track the usage for the 1.5hours – We tracked the usage October 5-13th and here is the average (for 6 days) for the timeframes:
  - a. 7am – 7:30am: avg. 18 employees entered
  - b. 5pm – 6pm: avg. 61 employees exited
2. Get with Jennifer to see about going back to the bureaus to ask for the \$18K: I spoke with Jennifer about this and she suggested that we NOT go back to the Bureaus on this and instead find the funding within our base.

Please let me know how you would like to proceed with this as we are currently keeping this Post open the 1.5hours with a Rover. Also, I'm available to discuss if you have additional questions.

Thanks  
Nick

Lisa,

We only track usage by shift not by hour, so unfortunately I can't break that out for you.

Please let me know when you are available to discuss. I've attached the post map we created a while back so you can have a visual of the posts for our discussion. The posts we are talking about are highlighted in orange.

Thanks  
Nick

Let's talk tomorrow. Do we know the usage of it for those hours we  
are cutting? thanks

Lisa,

That entrance gets called a number of names (i.e. Secretary, VIP, and  
Dignitary entrance). I try to stay clear of calling it the Secretary's  
entrance as some might interpret that as us having an entrance open  
just for the Secretary.

Related to the Courier entrance, it will only be open and accessible  
from 7:30am - 5pm which is what the hours have always been. That  
said, when we closed down the 15th & Con. entrance to support the  
blast door renovation during the spring, we moved that officer post  
and those entrance hours (7am-6pm) over to the courier entrance.  
Since we eliminated the 15th & Con entrance post for budgetary  
reasons, that additional 1.5 hours that we were keeping the courier  
entrance open for must go back to the original courier entrance times.

Available to discuss if need.

Thanks  
Nick

Have we always called the secretary's entrance the VIP entrance? To  
clarify – the occupants at that end of the building will only be able to  
get in and out of a door from 7:30-5 or was it supposed to be the  
other way around, extending those hours?

thanks

Hi all – we would like to hold a quick chat to ‘formalize’ an exit conference for our DATA Act examination. We have previously discussed the results on 10/5 and there have been no changes to the information previously communicated. As such, we are not planning to cover such information again. However, we wanted to schedule this meeting to discuss our feedback on the draft response and field any questions you have regarding the report.

Feel free to forward to anyone I have left off.

Thanks,

Brent

**Subject** MRB Study: Interview  
**Location** H6422  
**Show Time As** Busy  
 Lisa,

Since 2013, the Milestone Review Board (MRB) has reviewed Mission Critical programs throughout the Department, including 2020 Census and related programs, NOAA/NESDIS satellite programs, NOAA AGOR Variant/Vessel, NIST Building 245, FirstNet, and Business Application Solutions (BAS). For more complete information on the MRB as well as individual reviews, please see this link  
 <<https://community.max.gov/pages/viewpage.action?pageId=579832305>> .

With the benefit of this experience/data set and the goal of improving the process, we are now conducting a detailed study of the MRB, including both quantitative and qualitative approaches. As part of our methodology, we are conducting interviews of MRB participants, including MRB members, representatives from the bureaus/PMOs, IPT members, as well as the MRB Secretariat and DOC leadership.

The goal of the study is to improve the MRB process through findings-based policy recommendations, so this is an opportunity for you to

provide your input. Already, we have conducted several interviews and are eager to ensure appropriate representation from all participants/stakeholders.

Based on MRB documentation, you have been identified as an MRB stakeholder. The interview is brief – about 30 minutes.

Thank you, and we look forward to speaking with you.

         Subject: Weekend assignment

It's been a long time since we've had an SES Summit and with the change in Administration, I think there is a lot to talk about, for example:

- \* Reform Plan
- \* EO on labor/management relations
- \* FY 18 & 19 budgets
- \* Enterprise Services
- \* Strategic Plan
- \* Meet the Secretary

I think these (and others you have in mind) can keep us busy for at least one half day. Let me know if you think this is worth working on.

Kevin.

So based on this email, I assume the DMC presentation is off as well. Do the two of you have time for a short conference call either this afternoon or tomorrow?

Jeff:

Since we did not have materials to review prior to our meeting (and I was not available to meet), Lisa and I decided to put this off until the next DMC (and for our meeting with you to get rescheduled for next week). I didn't realize there was a "deadline" of this Friday, but let's discuss.

Ben and Lisa,

I see that our meeting with Ellen this afternoon just got cancelled. I am assuming the plan is to move forward with the presentation to DMC tomorrow. Since our project ends on Friday, we may have to consider that our final presentation. I don't know if Deborah had sent the presentation and white paper we have prepared, but I have attached that. For the DMC presentation tomorrow, we planned to distribute the attached one page handout and Appendix 1 from the paper. We will use those as the presentation/talking points. I wanted to check and see if you had any comments on any of the attached documents prior to our presentation tomorrow. Let me know if you have any questions or comments ahead of the meeting tomorrow or if we need to touch base prior to the meeting. Thanks and we will see you tomorrow.

Please join a call with FASAB's Executive Director, Wendy Payne, regarding the issuance of two technical bulletins on November 1, 2017 that are effective on release. The purpose of the call is to provide an overview of the technical bulletins and ask any questions. The overview should assist you in assessing whether the technical bulletins have any impact on your fiscal year 2017 financial statements.

Technical Bulletin (TB) 2017-2, Assigning Assets to Component Reporting Entities, clarifies existing standards by addressing areas not directly covered in existing Statements of Federal Financial Accounting Standards regarding which component reporting entity should report an asset. This TB provides guidance that assets may be assigned by a reporting entity to its component reporting entities on a rational and consistent basis.

Technical Bulletin (TB) 2017-1, Intragovernmental Exchange Transactions, clarifies existing standards regarding intragovernmental exchange transactions by addressing areas not directly covered in existing Statements of Federal Financial Accounting Standards. This TB provides guidance to aid in determining whether intragovernmental arrangements are exchange transactions. Specifically, it addresses whether value has been sacrificed and received by the parties to a transaction.

Why don't we try to get together before then – also would like to

discuss how you can interact on their facility site risk assessments in ensuring documentation is up to par on the risks.

Including Megan to work the calendars – if all times fail I can always (if my schedule works) just come to the meeting.

Thanks

Lisa

Subject: meeting with OSY- physical security

Good afternoon Lisa,

Per my communications with Diane, we are prepping to meet with OSY to discuss their latest risk inventory (the week of Oct. 30); and in response to the most recent Congressional hearing and GAO review. Are there specific procedures that you or Ellen would like us to follow towards the engagement?

Please advise at your earliest convenience and if we can support further in any way.

Most Respectfully,

Rehana Mwalimu

For this quarterly review, the Office of Acquisition Management (OAM) and the Office of Program Evaluation & Risk Management (OPERM) are presenting in this session. In turn, all offices will be invited to your quarterly review.

For the metrics reviews, please upload all of your metrics into the CFO/ASA Dashboard (b)(4)

Each office will need to provide a laptop to connect to the dashboard.

For Ellen's briefing book, please provide the briefing memo (below) 2 days before the meeting by noon. The briefing memo should cover the top 3 successes in the last quarter; 3 lows of the last quarter; and 3 potential risks in the upcoming quarter. (This is not a hard and fast number. If there are only 2, make it 2 points.) The briefing memo template is attached. Please email briefing memo to: Deborah Barnes (dbarnes2@doc.gov <mailto:dbarnes2@doc.gov>) and Megan Trossbach (mtrossbach@doc.gov <mailto:mtrossbach@doc.gov>).

As a reminder, the purpose of these sessions are to discuss and collectively problem-solve current Enterprise Services HR service-related issues and challenges. In order to make these sessions productive in addressing your questions and concerns, we ask that you/your Bureau representative(s) provide Enterprise Services with your items in advance of the meeting. Submissions may be sent directly to Ronni LeGrande at vleggrande@doc.gov <mailto:vleggrande@doc.gov> by 12 p.m. on the Thursday before the meeting. Enterprise Services will then synthesize key themes and commonalities from the submissions received to address with the group.

Mike,

I usually have sat on the outskirts of the passback process, just  
replying from the OS side to OB. (b)(5) DPP

I'll ask Megan to set up a meeting for next week to chat and also to  
get a weekly meeting on the calendar going forward.

Thanks

Subject: Shared Services Roundtable: November  
When: Wednesday, November 29, 2017 10:00 AM-12:00 PM (UTC-05:00) Eastern Time (US & Canada).  
Where: 1100 New York Ave NW, STE 200, Washington DC 20005

Hello everyone,

We look forward to seeing you on November 29 for the Shared Services Roundtable! Please find the agenda for the session attached. We look forward to hearing from Michael Torres (OPM) and Seth Fargen, (U.S. Coast Guard), as our speakers for the session. Mike will provide an update on the newly released Human Capital Business Reference Model from OPM, and Seth will introduce Coast Guard's Robotic Process Automation initiative within the Coast Guard Finance Center.

Error! Filename not specified.

As a reminder, we are located at 1100 New York Ave NW, on the 2nd floor of the East Tower. We are metro accessible by Metro Center and Gallery Place/Chinatown. There will be a call-in number for those located outside of the DC metropolitan area. Please let us know if you need to call in.

Please note, our building has installed turnstiles in the lobby. Please see below for additional guidance.

#### ARRIVAL PROCEDURES AT THE PARTNERSHIP

\* In order to access the elevators, you will need to visit the security desk in the main lobby of the building.

\* Please inform them that you are here for the Partnership for Public Service, and provide them with your full name, if needed. We have

provided a full list of everyone attending on Thursday, and security may need to verify your name before allowing you through the turnstiles.

Our staff will be nearby to help with any issues, and security staff will call us if there are any concerns. Please make sure to reference the Partnership, rather than the event name to help expedite the process. Thank you for your patience as our building pilots this new security measure.

Subject: Bimonthly meetings

Good Afternoon,

In recent weeks I have realized that there is a need to schedule periodic catch up meetings with each of you to discuss any pertinent items in the administrative areas (i.e. customer service, hot topics). I will always be available at any time but I think it is good that we can connect and make the time for us to carve out specific time to sit down on your bureau specific areas. My thought is every other month but if you prefer a different cadence please let me know.

I will have Jeanette reach out to your offices next week to schedule.

Lisa

Subject: Reorganization Level of Detail

Lisa,

Ron and Enrique have asked me to conduct an assessment and potential C-Suite realignment for the Census Director and Deputy Directors' supporting offices. This will likely lead to a reorganization package that we anticipate sending to the Department on April 1, 2018. In order to maintain consistency across our Directorates and Alignment with the Department structure (i.e., CIO, CFO, etc), I am seeking more clarification on the DOO.

Who would be the most appropriate contact at the Department to work through some of my questions? I am working directly with all of my Directorates but don't want them asking their associated DOC counterparts individually for this information. Just trying to herd all the cats and bring Enterprise integration to the process.

Thanks as always for your time and attention.

Regards,

Laura

 Subject: Would like 15min w Lisa later this afternoon

Hi Megan,

I need Lisa's input as CFO on a couple of 2019 OMB Passback issues. These are pretty focused questions so I expect 15 minutes would be ample. Does she have any availability after 3:30pm today for me to come by? I am available until 7pm tonight.

Thanks for your help!

**Show Time As** Busy  
Good afternoon,

Please join us for the Q4FY17 Quarterly Sustainability Review on December 7, 2017 at 2pm in Conference Room 58022. We will brief the DASA on progress made and challenges identified in meeting the annual federal sustainability and energy mandates.

The Department's final draft public Sustainability and Energy Scorecard is attached. This will be posted to our Department of Commerce website in the next few days, once final approval is received from OMB. The public scorecard does not represent all actions required for the Department and is only a representation of the performance on the specific targets. More guidance from OMB is expected soon on changes for the January 2018 Scorecard (based on FY 2017 performance).

A separate email will be sent to request updates for the briefing.

Take care,

Kristen W. Thomas, CEM, LEED AP BD+C

Subject: Bimonthly meetings

Good Afternoon,

In recent weeks I have realized that there is a need to schedule periodic catch up meetings with each of you to discuss any pertinent items in the administrative areas (i.e. customer service, hot topics). I will always be available at any time but I think it is good that we can connect and make the time for us to carve out specific time to sit down on your bureau specific areas. My thought is every other month but if you prefer a different cadence please let me know.

I will have Jeanette reach out to your offices next week to schedule.

Lisa

Subject: Agenda for Thursday's D&I Council Meeting

Hello Lisa and Tyra

In preparation for this week's D&I meeting, please see proposed agenda. While we asked council members to submit comments regarding the proposal to restructure the council and create an HCHB council, most of the comments and feedback I received was verbally and in favor. BIS did seek additional clarification and may bring concerns to the meeting, but they did not submit anything formally. BEA did formally concur and agrees to align with Census. USPTO share verbally they were supportive as well, but wanted to listen to the discussion during the meeting before giving final agreement.

Attached is the proposal and the agenda. Please advise if you concur with sending to council members of if you have questions or concerns.

Thank you.

Fellow CFOs,

At the November 7th CFO Council meeting Steve Kunze shared with you our early efforts to reform our FM Strategy Map, a process in which we have tried to capture the feedback from both the greater Commerce FM Community, based on the Training Conference last May and the CFO principals, chiefly from the off-site in August. As a reference, attached are the outdated version we reviewed in August and the working draft Steve shared at the last council meeting.

This should be an inclusive effort that helps our council come to a consensus on our goals, highest priority objectives, and the most relevant action items to achieve those objectives. Your input and feedback is invaluable to this process and can help us move quickly toward determining our course of action in FY18 and beyond.

As time is slipping by quickly, especially heading into the holiday season, we would like to host an FM strategy development session.

As a reminder, the purpose of these sessions are to discuss and collectively problem-solve current Enterprise Services HR service-related issues and challenges. In order to make these sessions productive in addressing your questions and concerns, we will be requesting your feedback in advance of the meeting. You will receive a separate email from Ronni LeGrande that will include a template for you/your Bureau Representative(s) to provide questions/items that you/your Bureau Representative(s) have for Enterprise Services. Enterprise Services will then synthesize key themes and commonalities from the submissions received to address with the group.

Byron,

Can we set a meeting – 30 minutes – in the next few weeks to talk where we are on ECAS and next steps. A high level project milestone would be good to go through along with any dependencies (i.e bureau items to do).

Thanks

Lisa

(x0830)

Apologies for moving this to the lunch hour. Please feel free to bring your lunch with you!

For this quarterly review, the Office of Security (OSY) and the Office of Human Resource Management (OHRM) are presenting in this session. In turn, all offices will be invited to your quarterly review.

For the metrics reviews, please upload all of your metrics into the CFO/ASA Dashboard (b)(4).

Each office will need to provide a laptop to connect to the dashboard.

For Ellen's briefing book, please provide the briefing memo (below) 2 days before the meeting by noon. The briefing memo should cover the top 3 successes in the last quarter; 3 lows of the last quarter; and 3 potential risks in the upcoming quarter. (This is not a hard and fast number. If there are only 2, make it 2 points.) The briefing memo template is attached. Please email briefing memo to: Deborah Barnes (dbarnes2@doc.gov <mailto:dbarnes2@doc.gov>) and Megan Trossbach (mtrossbach@doc.gov <mailto:mtrossbach@doc.gov>).

Subject: Bimonthly meetings

Good Afternoon,

In recent weeks I have realized that there is a need to schedule periodic catch up meetings with each of you to discuss any pertinent items in the administrative areas (i.e. customer service, hot topics). I will always be available at any time but I think it is good that we can connect and make the time for us to carve out specific time to sit down on your bureau specific areas. My thought is every other month but if you prefer a different cadence please let me know.

I will have Jeanette reach out to your offices next week to schedule.

We will be playing the game Two Truths and a Lie, think of two things to share with the group that are true, and one that is not. The fun is seeing what people guess is correct!!

If you would like to bring something besides dessert, paper plates, cocktail napkins, and forks are welcome. Please let me know if you will be bringing these items, [MOConnor@doc.gov](mailto:MOConnor@doc.gov) <<mailto:MOConnor@doc.gov>> .

Subject: Passback

Mike,

I usually have sat on the outskirts of the passback process, just replying from the OS side to OB. (b)(5) DPP

[REDACTED]

I'll ask Megan to set up a meeting for next week to chat and also to get a weekly meeting on the calendar going forward.

Thanks

Lisa
